1. In a recent conversation with close friends, General Odría of Peru stated that he possesses copies of what he terms compromising letters to and from Air Force Generals Ergasto Silva Guillen and Armando Revoredo. These letters, according to Odría, indicate possible disaffection on the part of elements of the Peruvian Air Force.
2. Odría reportedly stated that the Air Force was now his biggest problem. He has circulated his information among certain close friends in the event that disciplinary action is taken in the near future to deal with the falling morale of the Air Force.
